Directory of Massachusetts Registered Sanitarians

This Directory was compiled to assist individuals and retail food businesses to find training and consulting programs and/or examinations for compliance with the 1999 FDA Food Code, 105 CMR 590.000 and the Danvers Board of Health regulation requiring the stamp and signature of a registered sanitarian on plans submitted for review.

Disclaimer

The Danvers Board of Health does not in any way endorse or recommend any of the individuals or organizations presented on this list nor does the Board preclude anyone not on the list from conducting plan reviews and food safety training. The Board does not evaluate individuals or organizations contained within this document, and does not guarantee the success of their programs. Please note that this is not a comprehensive list and, although it is periodically updated, there is no guarantee that all information is current. You may also contact industry and regulatory organizations as well as telephone directories for further listings.
