APPLICATION GUIDELINES

- Rebates are available to **Danvers Residents** only. Applicants listed must be Water Account holders with all active accounts in good standing. If account is not active or in good standing, rebate will not be processed. Rebate application will not be processed until application and checklist is complete. Incomplete applications will be returned. Please call 978-777-0001 x3011 for guidance.
- If the rebate is for an *apartment tenant or condo owner*, the "Account Information" should be for the apartment owner or condo association. Unit information should be filled under "Installation Address". These applications require both applicant signature and account holder signature below.
- Only clothes washers on the **2015 Consortium for Energy Efficiency List [www.cee1.org] List** qualify.
- Applicant is responsible for verifying and providing documentation that the clothes washer is on the qualifying 2015 CEE list [www.cee1.org].
- The new clothes washer must be replacing a clothes washer fabricated BEFORE 2005.
- Application requires: the proof of purchase with a clear line item displaying the product purchased with a model # in the form of the sales receipt, the signature and phone number of the product installation employee or a signature from a Danvers Water Division employee and a **completed and signed** Rebate Application.
- The rebate program is on a first-come, first-served basis and is effective until the funding is exhausted or the program is discontinued.
- *New construction projects (any construction after January 2008) or home additions do not qualify* for rebates since all usage in new construction or additions is considered an additional draw on Danvers' water reserves. **Rebates are for remodeling only.**
- Clothes Washer must be replacing an existing clothes washer. Old clothes washers cannot be reused by applicant or other Danvers residents. Clothes Washers must be installed at the water account location. Danvers Water Division reserves the right to inspect the installation on premises.
- One clothes washer rebate per household.
- Applicant agrees and understands that the Danvers Water Division does not guarantee that the installation of a high efficiency clothes washer will result in water savings, as site-specific water consumption varies.
- Danvers Water Division does not warrant, endorse or assume liability for the quality, performance or safety of the contractor and/or retailer or wholesaler or performance of any appliance or fixture. Responsibility for product chosen is solely the applicant's.
- Individual rebates more than \$600 may require the issuance of a 1099 Tax Form.

Please return the completed application to:
