

## Join us January 1 at 10:00 am for our annual “First Day” Trail Walk

What better way to start the new year and work off some “holiday cheer” than a walk on the rail trail. Charley Lincicum will lead a 3.5 mile walk along the trail, highlighting some of the sites and history along the way. Meet us at Putnamville Park (mile marker 3.5) at 10:00 am rain, snow or shine. We’ll head north, loop into the SwampWalk , and turn back at Rte. 97.

Should you need to drive to the meeting place, there are a parking spots at the park and across Locust St at the old red Putnamville School. **Reminder** – the trail is closed at mile marker 3.1 for bridge repair.

*First Day 2016*
